## OPIS

**Installation is easy** – all you have to do is plug in the mixer and amplifier, attach the speaker cables, and turn on! You can easily connect an iPod/MP3 player, CD player or tape deck to the system, if desired. There are multiple rear mixer inputs, and a 1/8" stereo input is provided on the **front** of the mixer so you can directly attach your music playback device with a standard 1/8" cable. A handheld microphone is included. The loudspeakers can be bolted to the outside of a press box or other location as needed. Loudspeakers are fully

weatherproof, IP56-rated.

**Options** include **wireless mics**, **MP3 instant playback** system, our **NEW!** super-powerful OSLO **subwoofer**.
